PROFILE

Motivated Computer Science and Data Science undergraduate with a strong interest in Data Science, Artificial Intelligence, Machine Learning, and software development. Interested in building practical solutions using Python, Java, SQL, and data-driven technologies. Currently developing strong foundations in programming, Data Structures and Algorithms, and real-world project development.

EDUCATION

Bachelor of Engineering – Computer Science and Engineering (Data Science) **2025 – 2029**

Ballari Institute of Technology and Management, Karnataka, India

1st sem SGPA=8.25

2nd sem SGPA=9.5

Total CGPA = 8.88

TECHNICAL SKILLS

Programming	C, Python, Java
Data Science	NumPy, Pandas, Matplotlib, Data Analysis
Database	SQL, MySQL
Core Concepts	Data Structures, Algorithms, OOP, DBMS
Tools	VS Code, Jupyter Notebook, Git, GitHub
Currently Learning	DSA with Java, Machine Learning, Cybersecurity

PROJECTS

Quiz Application Using Python

- Developed a menu-driven quiz application using Python.
- Implemented variables, conditional statements, loops, functions, lists, dictionaries, and exception handling.
- Designed the application to calculate and display the user's score after completing the quiz.

Hotel Room Rent Management System in C

- Developed a C-based program for calculating and managing hotel room rental charges.
- Implemented user input, conditional statements, arithmetic operations, and formatted output.
- Designed the program with a simple menu-driven interface.

Smart Anti-Sleep Alarm

- Developed an Arduino-based safety project for detecting drowsiness using an eye-blink sensor.
- Integrated Arduino Uno, eye-blink sensor, buzzer, resistors, jumper wires, and power supply.
- Designed the system to activate an alert when prolonged eye closure is detected.

CERTIFICATIONS

- Python Programming – Academic Coursework
- Data Structures and Algorithms with Java – Currently Learning
- Cybersecurity Fundamentals – Currently Exploring

Open to internships, technical projects, and learning opportunities in Data Science and Software Development.
